

Make insects a great business Apply for support!

ValuSect will launch a voucher call on **1 December 2020**. SMEs located in North-West Europe working or wanting to start working in the **insect-based food sector** can receive a voucher worth of **10.000, 20.000 or 40 000€ in services** delivered by the ValuSect project partners. Our service offering includes product development, consumer taste/acceptance panels, optimisation of breeding conditions or improvement of food processing.

Information session

If you want to apply but are not sure whether you meet the criteria or would like more information on the proposed services, follow our info session:

- When? **24/11/20 at 4PM CET** (3PM UK time)
- Where? Virtually on Zoom
- Agenda:
 - Welcome and a short introduction to the ValuSect project
 - An update on ValuSect progress and achievements
 - Voucher scheme: objectives, application process, quick look guide to services
 - Q&A
- Register here:
