Things to do

De Krook

The city library De Krook is an architectural masterpiece and a place of rest in the city. Take the stairs all the way to the top for a free panoramic view of Ghent.

Patershol & Hof van Rijnove

Patershol is a charming neighborhood with narrow streets and delicious eateries. While you're there, stop by Hof van Rijnove, a hidden medieval city garden that is often overlooked.

STAM & St. Peter's Abbey

The STAM museum offers a surprisingly modern view of Ghent and has an impressive aerial photo where you can literally walk over the city. After your visit, you can enjoy an abbey beer in the peaceful garden or in the impressive vaulted cellar in St. Peter's Abbey.

Take the boat at Graslei or Korenlei

Ghent looks even more beautiful from the water. There are various boat tours, some with guides who tell juicy anecdotes about the city.

Jazz @ Hot Club de Gand

This atmospheric café, hidden in an alley, has regular live jazz performances and an intimate, authentic atmosphere. You will encounter few tourists here!

Watch a movie @ Sphinx cinema

This independent cinema shows arthouse films and documentaries, and is a favourite of film-loving Ghent residents.

We hope you enjoy your stay!
